## TENNYSON CENTER FOR CHILDREN NEEDS YOUR HELP!

Tennyson Center for Children is the state's largest residential treatment center for abused and neglected children in Colorado. Their dedicated staff of teachers and counselors work 24/7 to make a difference in the lives of children. Here's the reason:

### COLORADO IS NUMBER THREE IN THE COUNTRY FOR CHILDREN DYING FROM CHILD ABUSE. HERE'S HOW YOU CAN BE A PART OF THE SOLUTION.

#1: Go on-line and donate dollars to the center. [www.childabuse.org/nsaco](http://www.childabuse.org/nsaco) Your donations will help feed, clothe and provide housing to children that got a bad break by having poor parents. **They still need money and gifts for Christmas.**

#### **This page automatically tracks our donations.**

#2: Bring your donation to the January 14, 2012. **(Stop drinking Starbucks for two months and donate the savings!)** Or send your donation to: Colleen Stanley, 355 Union Blvd. #300 Lakewood, Co 80228.

#3: **Join NSA Colorado on February 7<sup>th</sup> at the annual speech contest held at the Tennyson Center. The kids love this program, as does the staff. It is a real confidence and spirit booster. Be a judge, be a member of the audience...just be there to show support.**
